		• Bidder shall submit original/certified true copy of the following documents **during the opening of bids, (inside the TECHNICAL COMPONENT ENVELOPE):** o Manufacturer's Certificate as to the authenticity of the product; and o Certificate as Authorized Reseller/Distributor;
	6	The supplier shall ensure security in the delivery of the pre-printed PVC cards from its plant to the premises of the PRC Central Office.
	7	The supplier shall provide a backup unit in case of breakdown of the ID card printer equipment within 5 calendar days from receipt of report of equipment malfunction. Supplier shall provide the necessary parts, maintenance, and repair services on all the equipment units included in the agreement "Free of charge" as the need arises during the validity of the contract.
	8	Bidder shall assure PRC that the pre-printed PVC cards materials to be used are genuine and of good quality. The Pre-printed ID Cards shall be made of PVC materials in accordance with the design and color specified by PRC. Bidder shall ensure the quality and consistency of the prescribed security features of the pre-printed PVC cards.
	9	Supplier shall ensure the quality of the pre-printed PVC cards. PRC shall countercheck the number of pre-printed PVC cards delivered and inspect them for quality control.
	10	Bidder shall issue a Certification to PRC that it shall manufacture PRC-designed pre-printed PVC cards for printing of various PICs only for PRC's use. Bidder shall likewise provide PRC with a Certification that it supplied PRC-designed pre-printed PVC cards in accordance with quantity and specifications and that no extra pre-printed PVC cards have been printed for Bidder's use.
	11	Supplier shall not disclose the security features of the pre-printed PVC cards to anyone except the PRC Chairperson.
	12	Supplier, with its conformity, shall provide sufficient additional equipment without cost on the part of the PRC in the printing of pre-printed PVC cards.
	13	PRC shall be the sole owner of the design and security features of the pre-printed PVC cards. The prototype design used by Supplier in the printing of pre-printed PVC cards shall be returned to PRC at the expiration of the Contract. The Supplier is not allowed to use or copy the design and security features of pre-printed PVC cards.
	14	Supplier shall deliver to PRC the pre-printed PVC cards in accordance with the time frame provided in the contract.
	15	Acceptance of delivery of the pre-printed PVC cards shall be evidenced by appropriate delivery receipts/invoices duly signed by the PRC official after proper inspection of the delivered pre-printed PVC cards.

	16	The rejected pre-printed PVC cards due to errors attributable to Supplier shall be borne by it in the amount equivalent to the cost of pre-printed PVC cards. The defective pre-printed PVC cards must be reported within the day and the replacement to be provided by the Supplier within 3 calendar days upon receipt of the report. Defective pre-printed PVC cards shall be disposed by the Supplier through shredding and certificate of disposal shall be provided for this purpose.
	17	Unless prevented by fortuitous event, failure of Supplier to comply with the terms and conditions of the contract, particularly the full delivery of the number of pre-printed PVC cards required by PRC, PRC shall be authorized to deduct/retain, as liquidated damages, from any money due to Bidder or collect from the performance security an amount equal to one-tenth (1/10) of one percent (1%) of the contract price of the undelivered pre-printed PVC cards for every calendar day of delay in the delivery of the pre-printed PVC cards, but not to exceed fifteen percent (15%) of the contract price of the delivered items.
	18	In order to assure that manufacturing defects shall be corrected by the Supplier, a warranty shall be required from the Supplier for a minimum period specified in the SCC. The obligation for the warranty shall be covered by, at the Supplier's option, either retention money in an amount equivalent to at least ten percent (10%) of every progress payment, or a special bank guarantee equivalent to at least ten percent (10%) of the Contract Price or other such amount if so specified in the SCC. The said amount shall only be released after the lapse of the warranty period specified in the SCC; provided, however, that the Supplier delivered are free from patent and latent defects and all the conditions imposed under the Contract have been fully met.
	19	PRC has the right to terminate the Contract upon constructive receipt of written notice and forfeit in its favor the performance security posted by Supplier, without need of judicial action, should Supplier fail to perform any of its obligations/undertakings stipulated under the Contract. Further, any change in the Contract, except the contract price, shall not require prior approval of the surety and shall in no way annul, release or affect the liability of the Bidder.
	20	Supplier warrants that is shall remain an entity existing under and by virtue of Philippine laws, duly licensed, empowered or authorized thereto to import, furnish, supply and produce the IT equipment, materials and supplies mentioned in this terms of reference and that their delivery and use do not violate any provision of law, regulation or any indenture, contract or other undertaking to which Supplier is a party.
	21	Supplier warrants the quality and genuineness of all supplies, materials and IT equipment used for the printing and supply of various PICs under this terms of reference.
	22	Supplier warrants that all the rules on bidding have been complied with; that all representations in the proposals and

		the documents submitted are complied with; that all deliveries shall be subjected to testing; that all technical issues are resolved; that all representations are true and accurate; and that any information that may come to the knowledge of PRC that any of the provisions is not complied with shall be a basis for the termination of the contract by PRC without need of judicial action.
	23	Supplier shall be fully responsible for procuring and furnishing to the Bureau of Customs all permits, licenses and any other documents necessary for the importation to the Philippines of the IT equipment, supplies and materials, furnished under the contract.
	24	Supplier shall hold and save PRC free from liability of any nature for, or on account of, any copyrighted compositions, secret process, patented inventions, articles or appliances manufactured or used in the performance of the contract.
	25	Bidder warrants that its owner, or any of its officials, has not offered and will not offer any sum of money or non-financial favor to any member of the Bids and Awards Committee (BAC), or any official or employee of the Commission, in return for a favorable consideration of the subject bid; and acknowledge and agree that such act of offer constitutes the criminal offense of bribery for which the owner of the company and the company shall be liable for sanctions under existing laws and outright disqualification of the company from bidding.
	26	The Supplier shall also provide blank PVC cards for the PRC employees (minimum of 3,255 pcs.) and the Professional Regulatory Boards (minimum of 465 pcs.) without additional cost on the part of the PRC.
	27	Bidder warrants that is shall be compliant with labor laws and standards in accordance with GPPB Circular No. 01-2008 under Section 3.3. Hence, the winning Bidder shall provide proof of remittances with PhilHealth, Pag-ibig, SSS, and the like during post-qualification.
	28	In case shortage in the number of pre-printed PVC cards, Ribbons and/or Cleaning Kits will occur during the validity of the contract, PRC may procure with the supplier at a discounted rate of 10% from the specified rate per item.
	29	In the event that there is a change in the design or security features in the pre-printed PVC cards, the supplier will amend accordingly the said pre-printed PVC cards without additional cost on the part of PRC.
	30	The supplier shall send the Statement of Accounts within five (5) working days after the delivery of items per tranche.
	31	The supplier shall provide a buffer for spoilage and/or errors and for test prints in the quantity of 15% per tranche.
	32	The supplier shall provide an in-house training seminar prior to the deployment of IT equipment, and annually thereafter, as requested, for the duration of the contract.
